GRAND PRIZE:

A Hill Performance Series Concert Guitar with Arched Case

www.hillguitar.com

The Performance Series is the newest line of fine guitars designed and built in the Hill California workshop. These guitars offer a great sounding high-quality modern concert instrument at a medium price - List \$5500 w case.

The Performance Series is handmade in the traditional Spanish style, with the integral body and neck joint, and incorporates a modern double top soundboard, with lattice or fan-bracing. Sound ports are standard, unless requested otherwise.

- Sound board: *Damann style double top comprised of Western red cedar, Nomex and Englemann spruce, Lattice bracing*
- Back & sides: *Indian rosewood*
- String length: *650mm*
- Tuners: *Gotoh*
- Lightweight double-acting truss rod
- Overall length: *39 1/2"*
- Upper bout: *11"*
- Body depth: *3 3/4 - 4"*
- Sound ports
- Fingerboard: *ebony*
- 20th fret extension
- Finish: *French polish*
- Fingerboard at the nut: *51mm*
- Body length: *19 1/2"*
- Lower bout: *14 1/4"*
- Arched case include

2nd PRIZE:

Guitar Salon: Loriente "Clarita" from Spain with Hard Case

www.guitarsalon.com

The Clarita features marbled cherry wood binding, which is reminiscent of the simpler yet charming guitars of Domingo Esteso. Although less elaborate in detailing than the other models in the line, the Clarita is a true concert guitar with great warmth, sustain and presence. Perfect for both the concert stage and recording studio. A new HumiCase hard case is included with this guitar.

OTHER PRIZES:
