FEATURED PRIZES:

2019 New World Performance Guitar from the Hill Guitar Company
www.hillguitar.com

This popular guitar is an economical doubletop guitar, giving the player all the benefits of modern guitar technology, including sound ports and lattice bracing.

Performance Specifications:

- Doubletop select solid soundboard: spruce and cedar
- Lovely Solid CITES certified East Indian Rosewood back and sides
- Ebony fingerboard
- Sound ports
- Compensated bone nut & saddle
- 12 hole bridge
- Gotoh tuners
- French polish finish
- Adjustable truss rod
- Arched New World case included

Loriente "Marieta" Cedar Top/ Indian rosewood back and sides This guitar comes to us from the Guitar Salon International.
www.guitarsalon.com

The Marieta is a tribute to the second epoch of Torres. The sound is bold, clearly pronounced and very responsive to the touch. The French polished soundboard allows the top to resonate with greater freedom, producing a harmonically rich and complex tone. A new HumiCase hard case is included with this guitar.

Romero Creations Spruce Top Acacia Satin Tenor "Replica" Ukulele
www.romero creations.com

This is a replica of Pepe Romero's custom tenor. It has his signature reverse fan bracing, lightweight construction, geared Gotoh UPT tuners, and gorgeous woods. This one features a solid spruce top and solid acacia sides and back. It's framed off with maple wood bindings and is protected with a smooth satin finish.

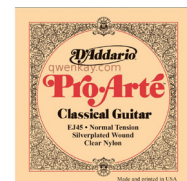

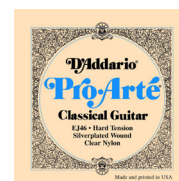

OTHER PRIZES INCLUDE:

- A Pair of Tickets with Priority Seating to 4 concerts of your choice during the Dynamite Guitars 2020-2021 San Francisco Season www.omniconzerts.com
- \$100 Gift Certificates at GSP guitars, Music and Accessories www.gspguitar.com
- A framed 16"x20" silver gelatin print of jazz great Louis Armstrong made from the original 4" x 5" negative shot by photographer Robert Cameron in 1941
- Sets of D'Addario Classical Guitar Strings www.daddario.com
- Cypress Inn on Miramar Beach Spend a night at the beach in beautiful Half Moon Bay. www.cypressinn.com
